

Supplier list

These Australian suppliers have previously supported community media organisations with equipment and advice. Suppliers who wish to be included on this list, or want to update any information shown, should contact Barbara Baxter from the Grants Support Team via bbaxter@cbf.com.au.

Supplier	Transmission	Linking	Studio
1 A1 Audio and Broadcast	Transmitters	linking equipment	consoles
Rob Harling		processors	headphones
3 Tora St		digital distribution	microphones
Macgregor, QLD 4109			boom arms
07 3343 4384			monitors
robharling@bigpond.com			modulation monitors
2 Agile Broadcast	transmission processors	analog link equipment	consoles
Ian Thomson	FM transmitters	digital link systems	microphones
Unit 7/137 - 145 Rooks Rd.	antennas	codecs	heaphones
Vermont, VIC 3133	feeder	automatic changeover systems	mic arms
03 9001 0823	coax switches	consulting	radio playout software
ian@agilebroadcast.com.au	program fail equipment	integration	audio source equipment (CD etc)
www.agilebroadcast.com.au	transmitter control		studio furniture
	telemetry systems		audio processors
	consulting		audio routers
	integration		studio switchers
			equipment racks & hardware
			on-air lights
			consulting
			integration
			studio cabling systems

3	Amber Technology	transmitters	audio codec	consoles
	5 Skyline Place		processors	headphones
	Frenchs Forest NSW 2086			microphones
	02 9452 8600			cabling & connectors
	www.ambertech.com.au			monitors
				road cases
				DI's
				audio interfacing solutions test measurement systems
4	AVC Australia			studio bundles
	Paul Tyler			OB equipment
	PO Box 1290			
	Chatswood, NSW 2057			
	1800 631 728			
	paul@avc-group.net http://www.avc-group.com.au/			
5	AVW Broadcast	transmitter	STL RP/IP based	consoles
	Stefan Hunt	silent alarms	limiters and compressors	microphones
	38A/8 Herbert St	audio processor	OB linking	boom arms
	Sydney, NSW 2065	modulation monitor		telephone hybrids
	02 8213 0200	antennas		cables/connectors
	sales@avwbroadcast.com.au	amplifiers		
	www.avwbroadcast.com.au	cabling/connectors		
6	EDSI	transmitters	codecs	sound recording and mixing
	Lisa Wilkinson	stand alone receivers		
	Suite 11 / 9 Narabang Way	weather radio transmitters		
	Belrose NSW 2085			
	02 9450 2208 lisa@edsi.com.au			

7 Elan Audio	modulation monitor	audio codec	consoles
Rob Parker		amplifiers	headphones
2 Steel Court		switchers	microphones
South Guildford WA 6055		processors	hybrids
08 9277 3500		remote telemetry/control	cd players
sales@elan.com.au			speakers
www.elan.com.au			monitors
			on-air lights
			program fail monitoring
			program delay systems
			OB equipment

8 Fordray Electronics	fm & am transmitters	studio transmitter links	
Warwick Ford	antennas	off air receivers	
Principal		translators	
PO Box 1265			
Orange NSW 2800			
02 6362 9901			
fordray@fordray.com.au			

9 Innes Corporation Pty Ltd	transmitters	studio to transmitter links	AM/FM/DAB+ radio capture cards
	transmission site infrastructure & testing equipment		
Karen Olliver		codecs	soundcards
PO Box 1844	processors	streaming products	cables
Hornsby, NSW 1635	antennas		consoles
02 9987 0499			hybrids
karen@innescorp.com.au			broadcast loggers
sales@innescorp.com.au			logging software
www.innescorp.com.au			time zone delay units
			mixers
			microphones
			monitoring equipment
			OB equipment

10	Lumina Broadcast Systems	exciter	tranmission links	social media solutions
	Peter Warren	transmitter	encoders & receivers	audio software
	PO Box 1693	consulting	satellite & terrestrial IP radio systems	satellite & terrestrial IP radio systems
	Lane Cove NSW 1595			
	02 9113 0720			
	peter@luminabsa.com			
11	N-Com Pty Ltd	masts, towers, poles	RF links	
		demountable huts & outdoor		
	2 Allworth St	enclosures	link antennas	
	Northgate QLD 4013	distributers	IP links	
	07 3266 6779	antennas	redundancy switching
